

# SOUTH JERSEY GIRLS SOCCER LEAGUE **LOTG Addendum**

## FACT SHEET ALL DIVISIONS FALL 2020 SEASON

(Revision September 25, 2020)

This document is to highlight the changes made to the IFAB LOTG (Laws of the Game) from 2019/2020. The highlighted text represents rule of competition modifications for SJGSL.

**Law 3** – substituted player(s) must leave on the players' side of the field and immediately go to the technical area, unless expressly directed by the referee

**Law 5** – an injured player who is awarded a penalty kick and will be the kicker does not have to leave the field when treated for the injury

**Law 7** – medical stoppages (drink/cooling breaks) – may be given to allow drink breaks of 1 min. and “cooling” breaks of 90sec to 3 min.

**Law 8** – the team that wins the coin toss can choose the goal to attack or to take the kickoff; the team that decides which goal to attack takes the kickoff in the second half

Dropped ball – dropped for one player on the team that last touched the ball and everyone else must be 4.5 yds away. Ball is in play when it touches the ground. If dropped ball goes into goal without first touching at least two players, play is restarted with a goal kick if it enters the opponent's goal or a corner kick if it enters the team's goal.

**Law 9** – dropped ball will be awarded if the ball hits the referee/match official and: (1) a goal scored; (2) a team starts a promising attack or (3) possession changes.

**Law 10** – GK cannot score by throwing the ball directly into the other goal. A goal kick will be awarded.

**Law 12** – Handball rules are now “clarified”.

Handball is now judged from the tip of the fingers to the bottom of the armpit.

It is an offense if a player:

- deliberately touches the ball with their hand/arm, including moving the hand/arm towards the ball
- gains possession/control of the ball after it has touched their hand/arm and then:
  - scores in the opponents' goal
  - creates a goal-scoring opportunity
  - scores in the opponents' goal directly from their hand/arm, even if accidental, including by the goalkeeper

It is usually an offense if a player:

- touches the ball with their hand/arm when:
  - the hand/arm has made their body unnaturally bigger
    - • the hand/arm is above/beyond their shoulder level (unless the player deliberately plays the ball which then touches their hand/arm)

The above offenses apply even if the ball touches a player's hand/arm directly from the head or body (including the foot) of another player who is close.

Except for the above offenses, it is **not usually** an offense if the ball touches a player's hand/arm:

- directly from the player's own head or body (including the foot)
- directly from the head or body (including the foot) of another player who is close
- if the hand/arm is close to the body and does not make the body unnaturally bigger
- when a player falls and the hand/arm is between the body and the ground to support the body, but not extended laterally or vertically away from the body

An indirect free kick is awarded if a goalkeeper, inside their penalty area, commits any of the following offences:

- Controls the ball with the hand/arm for more than six seconds before releasing it
- Touches the ball with the hand/arm after releasing it and before it has touched another player
- touches the ball with their hand/arm, unless the goalkeeper has clearly kicked or attempted to kick the ball to release it into play after:
  - it has been deliberately kicked to the goalkeeper by a team-mate.
  - Receiving it directly from a throw in taken by a team-mate.

Team officials/coaches can receive a YC/RC; if the offender cannot be identified, the head coach will be carded.

Caution offenses include: persistently leaving the technical area; delaying the restart by your team; dissent by word or action including throwing things and gestures; persistent unacceptable behavior; showing a lack of respect for the game.

Sending off offenses include: delaying restart by opposing team; acting in a provocative or inflammatory manner; throwing/ kicking an object on to the field; entering the field to confront a referee at half time/end of the game; using abusive language.

All verbal offenses are restarted with an indirect free kick.

**Law 13** – With a defensive wall of at least 3 players, all attacking players have to be at least 1m away. An indirect free kick is awarded if they encroach.

**Law 14** – GK must have at least part of one foot on or in line with the goal line on a penalty kick. GK cannot be behind the goal line.

**Law 15** – opponents must be at least 2yds from the point on the touchline where the throw-in is taken.

**Law 16** – For 7v7 matches:

- Cannot cross the build out line until the ball: Clears the penalty area, or it is touched by a second player on the kicking team

For 9v9 matches:

- Cannot enter the penalty area until the ball: Clears the penalty area, or it is touched by a second player on the kicking team

For 11v11 matches:

- Cannot enter the penalty area until the ball: is kicked and clearly moves.
