

Here are the steps to pay online:

- 1 – Clubs will login to their GS account
- 2 – Click on the event – e.g. SJGSL FALL 2021
- 3 – Go to Payment & Status
- 4 – Input New Payment Information

N.B. After you get to the invoice in your GS account and add in your new credit card info, a button to push that processes the payment does not appear. In effect, you have everything ready but just can't actually pay.

The current workaround is to email Mike after you get to that point and I can process it from the league's end. If you do this, I will let you know when your payment is processed.
