Roll call by Heather.

PRESIDENT'S REPORT: PAUL MAYOVICH

- Moment of silence for Bob Davy

VICE-PRESIDENT'S REPORT: HEATHER TALARICO

- SJ Cup- hope to have games done by Thanksgiving. Future dates are on the website.
- Fines. Due two weeks after the fine is emailed.
- Coaches Course- Level 2- This Thursday and Sunday. Need a few more coaches. Level 1 in the winter

REFEREE REPORT: AUSTIN BARR

- Coaches Behavior- needs improvement. Remind coaches to reign in behavior.
- Select Update- 300 registered for tryouts. Tryouts first week in December inside in Cherry Hill. 5 age groups 2005-2010. 2005s will depend on numbers. We are looking for a few more coaches. Coaches will be chosen one week from Saturday. Player registration will remain open. We only have 1 date for tryouts. May possibly add another date but that is unlikely.
- Club passes- Thoughts on the passes. 1) Games were the same times which was a negative 2) We didn't get CP for one team where we could have because of the deadline 3) Beneficial for the most part 4) Loved it 5) More flexibility is needed. There will be changes: There will be an initial deadline. There will be an allowance made for requests but there will be a 7 day timeline to add players. Resubmit requests for the spring.
- Ref Evals- Going well. 83 % in. Be sure to let Austin know if a ref doesn't show.

LEAGUE ADMINISTRATOR: MIKE VENEZIANI

- Spring registration December 1- January 2
- Rating meeting January 13th at Pennsauken Middle School. Times and age groups will be posted.
- Mandatory coaches meeting February 10th at 7 pm at Highland HS.

- If any older teams want trophies instead of shirts, let us know. Trophies for other age groups can be picked up at Third Base.
- Change/update player and coach information in Got Soccer for spring.
- Score reporting- good until the past two weeks.
- Make up games have been good especially since the weather has cooperated.
- Go through GotSoccer and clean up duplicate players.

LEAGUE REGISTRAR: JENN STORER

- Got Soccer will be unlocked on December 1st to add players until the start of the season
- If you add new players after that, you need to email me so I can unlock that team.
- Transfers: change in Got Soccer. We will let you know if there is anything that needs to be done in Sports Engine.
- Coaching license uploads: Still working on coaches who have been recently approved in Sports Engine. Will post a list of “suspended” coaches. Got Soccer will update their system in the spring. That should allow us to see all coaches for teams.
