- **Tryouts will be a problem**
- **No refunds. Clubs will receive a credit**
- **Cup finals will be moved pending the rules from the governor/USClub.**

2- Q & A from participants

- Q- Are the boys and the girls leagues talking to each other?
 - They are talking but they are not on the same page. Both leagues will follow US Club ruling.
 - Q: Why aren't the two leagues doing the same thing?
- Q- Is there any chance of moving the registration back because of tryouts and use of fields?
 - A: We are looking at that.
- Q- If we don't get any games in at all, will there be a credit for passes from US Club for the spring only teams?
 - A: We have not heard yet.
- Q- Are there any guidelines for tryouts?
 - A: Clubs are on their own. Some are doing virtual tryouts. As soon as US Club says we can play, you can hold tryouts if your town allows it.
- Q- Is summer select still on?
 - A: Yes, so far. EDP moved their tournament to July. Hopefully practice will start June 1.
- Q- Will there be coach certification training for fall?
 - A: We will follow up on that with Bob Cooper. Maybe the classroom portion will be virtual.
- Q- Suppose players are unable to play?
 - A: Just get girls to play. There will be no fines or issues.
- Q- Will we be able to reschedule games during the week?
 - A: We should be able to do that.
- Q- If parents don't want their players to play, will the league be flexible with guest players or club passes?
 - A: YES.
- Mike: Reminder to line your fields if possible between now and the end of May.
